RE: Piano v. JA Motorcars, LTD

Case No.: AMD-00-2738

Dear Sir:

I would like to thank you for your correspondence that was mailed to me on October 12, 2001, which I received on October 15, 2001, copies attached. Your correspondence was timely appreciated, especially due to the illness, incapacitation, death and loss of Mr. Francis X. Gaegler, Jr., Attorney at Law, which has left me devastated. I am very aware of the urgency for me to obtain counsel. I am rigorously pursuing obtaining proper counsel for the specifics in my case, but it has been very difficult finding someone who specializes in this particular type of legal practice and who is willing to take my caseload at this particular time with the pending urgencies of the current deadlines.

I have just recently located my file from Mr. Gaegler's office in which some of the materials in the file have been misplaced or at least unable to locate. I have contacted Mary Campbell, at the Office of Human Rights Division in Howard County so that I may obtain the pertinent materials that they will provide me in reference to my case, which will also take some time. I'm having difficulty finding a lawyer who specializes in the particulars of my case; but I am totally aware of the deadlines that need to be met, and I fully intend to be as prompt as I possibly can. Therefore, I humbly and graciously ask for a further consideration of time so that I may be in proper accordance with the court.

Sincerely,

Ronica V. Piano
